**RENEWED REQUEST FOR CONTINUED EXAMINATION**

Mail Stop RCE  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants respectfully request continued examination of the above-identified patent application, pursuant to 37 C.F.R. § 1.114. A request for continued examination (RCE) was previously filed on June 28, 2007, but that previous RCE was held informal (Notice of Informal or Non-Responsive RCE Amendment dated July 16, 2007). The previous RCE did not include an accompanying submission, and it is believed that is the basis for the holding of informality or non-responsiveness. Applicants hereby renew their RCE request for this application in view of the concurrently filed submission, an accompanying amendment addressing all issues raised in the February 28, 2007 final Office Action. Approval of the renewed RCE in view of the submission is earnestly solicited.

A petition for a one-month extension of time was submitted on June 28, 2007, and a petition for a second one month extension of time is filed concurrently herewith. Hence, the

**Application No.: 10/648,789**

period for response should now run up to and including Monday July 30, 2007, the filing date of this renewed request for RCE and the accompanying submission.

It is respectfully requested that the fee payment authorized in the June 28, 2007 RCE be applied to this renewed request for continued examination. However, if a further fee payment is required for this renewed request, please charge any such additional fee to Deposit Account 500417.

To the extent necessary, if any, a further petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
